B&C CERTIFICATIONS

At B&C Collection, we believe that you shouldn't have to choose between something that looks good and something that does good too. That's why we are proud of our industry certifications.

OCS Certification

The B&C ORGANIC T-shirts, polo shirts and sweatshirts are made with OCS certified organic cotton. OCS, Organic Content Standard, provides an independent certification that the textiles is made with organic grown materials. The aim of this standard is to guarantee the traceability and integrity of the raw materials during all the manufacturing stages. It guarantees organic cotton purity of the style you buy.

PETA certifies B&C as 100% Vegan

We're proud to announce that we are officially certified by PETA as an approved vegan brand. It means there are no animal products involved in any part of the creation of our products. PETA (People for the Ethical Treatment of Animals) is the largest animal rights organisation in the world, with more than 6.5 million members and supporters. The companies that have signed PETA's statement of assurance have verified that neither they nor their ingredient suppliers conduct, commission, or pay for any tests on animals for their ingredients, formulations, or finished products anywhere in the world and won't do so in the future.

RCS Certification

The RCS (Recycled Claim Standard) is used as a chain of custody standard to track recycled raw materials through the supply chain. The RCS verifies the presence and amount of recycled material in a final product. This happens through input and chain-of-custody verification from a third party. It allows for the transparent, consistent and comprehensive independent evaluation and verification of recycled material content claims on products.
