Benchmark CO2	5.12

Description

Unisex classic fit t-shirt made from 100% cotton, of which 50% is recycled and 50% organic, in 180 G/M². It is the same t-shirt as our Iqoniq 'Bryce' t-shirt. There is only one difference: we eliminate the dyeing process. We have blended recycled cotton in its existing colour with virgin organic cotton, which creates the beautiful heather mélange effect. The use of genuine recycled & organic fabric materials and environmental impact claims are guaranteed, by using the AWARE™ disruptive physical tracer and blockchain technology. By scanning the QR code, you will gain access to a dedicated digital passport of the product. 2% of proceeds of each sold product will be donated to Water.org. This product is OEKO-TEX® STANDARD 100 2303045 Centexbel certified. Due to the nature of recycled yarns, impurities and colour variations may appear.
